# HINDS JUNIOR COLLEGE DISTRICT

1964 Uticanite

The logo features the year "1964" in a bold, black, serif font, enclosed within a decorative frame of swirling, vine-like flourishes. To the right of the year, the word "Uticanite" is written in a large, ornate, black Gothic script font, also surrounded by similar decorative flourishes.

Utica Junior College

Utica, New York

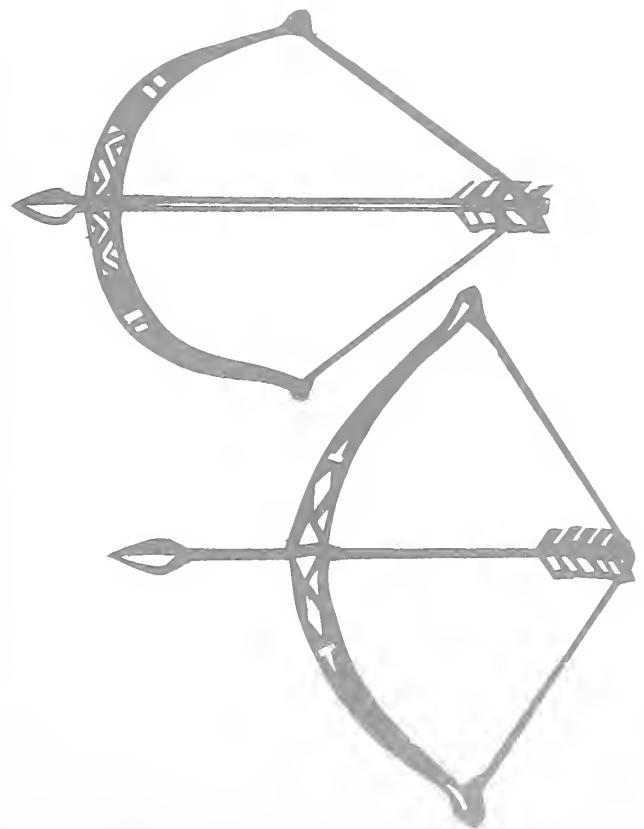

And all the men and women merely players.

And all the men  
and women merely players..

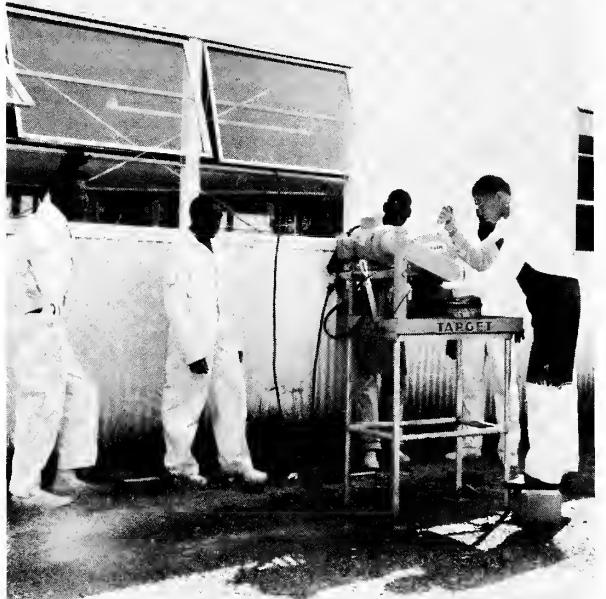

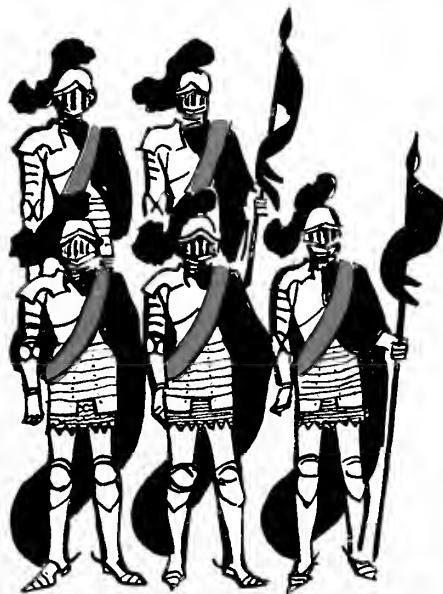

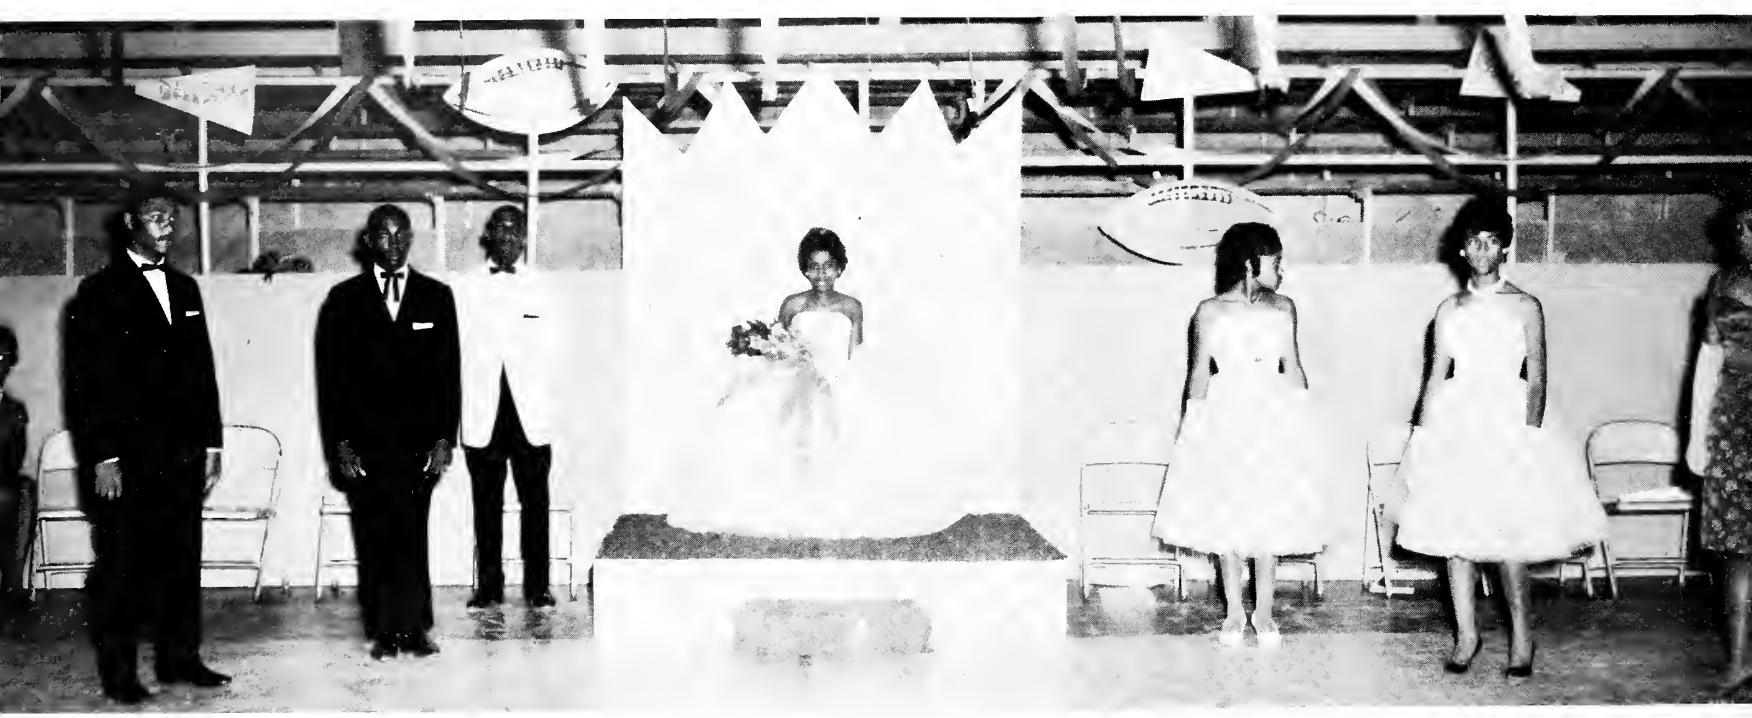

They have their exits and their  
entrances....

*And one man in his time plays  
many parts..*

O brave new world,  
that has such people in't..

Parting is such sweet sorrow..

## DEDICATION

"She is forever blessed who has lived well, laughed often, and loved much..."

The 1964 UTICANITE is being dedicated to a person who has devoted her life to the task of shaping the minds of the youth who have had the privilege of learning through her instructions. She

was a teacher for forty-one years. She exemplifies christian character, leadership ability, and ideal womanhood.

Utica Junior College will always remember Mrs. Maggie B. Dunson as a teacher who inspires.

## STUDENT BODY PRESIDENT

It has been my privilege to serve you as president of your student government during the 1963-64 school year. Thank you for your enthusiastic and zealous support in helping to make this another successful year, and may you continue to build on the foundation laid by the faculty and administration of our beloved school.

I am sure this yearbook will provide many happy memories of the activities and intellectual events that have become a part of our lives at Utica Junior College.

NOAH JOHNSON, President  
Student Council

## ADMINISTRATION, FACULTY, AND STAFF

“I am a true labourer: I earn that I eat, get that I wear, owe no man hate, envy no man’s happiness, glad of other men’s good.”

## PRESIDENT

WALTER WASHINGTON  
A.B., M.S., Ed.S.

Greetings:

The Uticanite is a reflection of the daily living of students and faculty here at Utica Junior College. More than that, it is a reflection of the rapid growth and development which the college has experienced. We hope that each student who attends the college will be challenged by this development to do his best each day.

One of the major purposes of the institution is to build into the students a sense of responsibility, efficiency, and service. We are happy to see these character traits developing day by day in our student body. It is a source of pleasure to see many graduates who have gone on into employment, senior college, graduate school and, in many instances, are back giving service to their communities.

As we grow, may we be motivated by a sense of service.

Sincerely yours,

*Walter Washington*  
Walter Washington  
President

# DEANS

Dear Friends:

The office of the Dean wishes to congratulate the members of the Annual Staff of 1964. You, the faculty members and students, are to be commended for such an outstanding publication. You have spent long hours of your time and energy to make this annual possible. The fruits of your labor will be realized in the hearts and minds of those persons who will have the opportunity to see your great work.

Each student enrolled at Utica will receive an annual this year. This, we are sure, will make it possible for more people to have the opportunity through vicarious experiences to be a part of the Utica Junior College family.

We know that in years to come all of you will reflect back and feel proud of having contributed overtly or in spirit to the great ideals portrayed in the 1964 annual.

Very truly yours,  
ARTHUR H. KINNARD, JR.

# THE 1964 UTICANITE

"Our revels are now ended;"

## EDITOR'S NOTE

We, the members of the 1964 UTICANITE Staff, have attempted to depict the great boom in growth that Utica Junior College has been experiencing during this school session.

The staff has chosen as its theme, "A Year With Shakespeare." Therefore, all of the quotations used are taken from the works of Shakespeare.

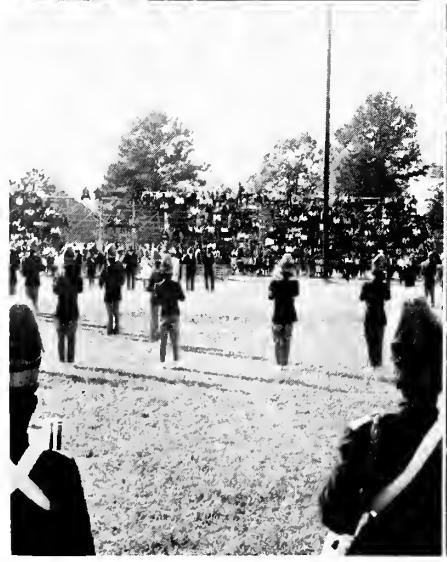

Preparing the UTICANITE for publication was a task which required the aid of many people. The staff would like to give special thanks to the faculty advisors, the photographer, and the student body for their cooperation at all times.
